To

Secretary to the Government of

His Highness the Maharaja of Mysore,

Sir,

I have the honor to forward herewith copy of letter No.C.3-7 of 24-25 dated 14th July 1925 from the Deputy Commissioner, Bangalore District, recommending that the inam land mentioned therein may be -- transferred to the Sri Anjaneyaswami temple opposite to the Minto --- Hospital, Bangalore City, as the temple of Mutharayaswami to which the land had been originally endowed has been in ruins and worship ceased for over a decade.

2. Having regard to the small extent of land and the statement of the villagers that there is no prospect of repairing the temple and that the inam may be transferred to any other Institution, I request sanction to the Deputy Commissioner's recommendation. The other --- matter referred to in the concluding portion of the Deputy Commissioner's letter will be separately dealt with.

3. The file of vernacular papers is enclosed.

been endowed to Sri Muttaraya swamy temple at Valagerehalli in the Bangalore Taluk. During my inspection on the 20th February 1925, I found that the temple building was in ruins and that worship had ceased for over a decade and it was said that the idol had been burried in the debris. I saw the Inam lands also and consulted the villagers as regards the resumption of these inam lands. They stated that they had no objection to transfer this Inamti land to some other temple (vide their Mahazar)

2. In these circumstances I request that the Inam land referred to above may be kindly arranged to be transferred to Sri Anjaneyaswamy temple opposite to the Minto Hospital, Bangalore City. This institution is -- properly looked after and puja is being regularly conducted, but as the temple has not been endowed with any Inam land or cash grant, much difficulty is experienced for the conduct of worship satisfactorily. In this connection I beg to invite reference to correspondence ending with No.P.

P.2122/23-24 dated 12th March 1925 in the matter of sanctioning a fas grant for this institution and as the grant therein recommended is hardly sufficient to meet the expenses of worship etc., in the temple the grant of the above Inam land is necessary and may be kindly sanc

Copy of letter No.P.2122/23-24 dated 20th December 1924 from the Deputy Commissioner, Bangalore District, to the Muzrai Commissioner in Mysore, Bangalore.

"In forwarding herewith the records ending with the Bangalore Taluk Amildar's report No.309 dated 18th November 1924, I have the honor to state that an idol of Sri Anjaneyaswamy was found in the Bangalore City Fort moat when the Victoria Hospital was built and one contractor Sonnappa built a temple near the western Fort gate Bangalore just opposite to the present Minto Ophthlmac Hospital and installed therein the said vigraha about 25 years ago, but no ---- satisfactory arrangements were made for the conduct of worship ---- therein regularly with the result that some persons worshiped for some time and at other time the worship was discontinued.

One Udapi Dasachar took charge of the temple at the -- request of the devotees and has been conducting worship regularly for the past three years. As worship is now regularly conducted a large number of devotees have been resorting to the temple.

The said Archak and the devotees now pray for a suitable --- permanent grant to the temple from the Government.

I inspected the temple on 17th September 1924. It issituated in a prominent portion of the City and is resorted to by a large -- number of devotees. It is deserving of support from the Government in the shape of some inam lands and a cash grant.

It is ascertained that the Sri Uttarayaswamy temple at ------- Valagerahally in the Mengeri Hobli Bangalore Taluk which is endowed

with the marginally noted Devadaya Inam land is in utter ruins and that there is no idol in the temple for the last 40 years. In the year 1922-23 it is noticed that the Archak of the -- temple was enjoying the lands without conducting Puja, and the ---- proceeds of the Inam land have therefore been credited to the temple funds eversince. As there is no chance of this temple being ------ restored, I request you to be so good as to accord sanction to the transfer of the above Devadaya Inam land together with the surplus amount at the credit of the Sri Muttaraya Swamy temple to the Sri -- Anjaneyaswamy temple in question near the Minto Optnalmic Hospital -- Bangalore the same being taken under the management of Government. A small cash grant of about Rs.5/- per month may also be kindly ----

sanctioned to enable worship being conducted regularly. If these proposals are approved, action will be taken to frame a scale of - receipts and expenditure for the institution and appoint a committee of Dharmadarsis."
